This is made possible by the generosity of the people in this district along with the involvement of local community organisations and businesses.

What is Emergency Relief?

We offer a free service aimed at helping people with the basic needs of life. An assessment interview is necessary to help us ascertain how we can help you.

Our assessors are unpaid, trained volunteers.

Who is it for?

Anyone who finds themselves stretched to the limit due to exceptional circumstances and in need of basic assistance and advice.

How to make an appointment?
